***“Adult learning gave me confidence and a sense of purpose when I lost my job. It’s never too late to find a new career path and it’s never too late to learn!”***

***Peter (45)***

***“I returned to learning after 20 years. I didn’t realise I had a brain or academic abilities until I was allowed the space to find it!”***

***Eileen (39)***

***“Learning keeps my brain oiled. I have to think and remember.”***

***David (68)***

***“There was never a dull moment! The sense of camaraderie in our class was terrific!”***

***Jane (27)***
